

Come visit a geological wonderland at the Brisbane Opal Museum and discover for yourself why it's the world's most incredible gemstone.

The Brisbane Opal Museum is a world class tourist attraction. It's an experience that will show you why in 1993 Opal was named as Australia's National Gemstone.

Who should visit the Opal Museum?

The people who enjoy their time here the most are those who like gemstones, geology, Australian history, mining and jewellery.

At this purpose built museum you will discover the history of this iconic industry and have the opportunity to view a collection of over 200 incredible opal specimens from all over Australia.

Three Tour Options Available...

Digital Tour (NO booking required)
Includes a tablet with 26 short videos explaining the displays.
Adults: \$5 each (under 5 free),

Midday Guided tour
(booking required - only available Monday - Friday)
A group tour at midday with a team member as a guide (45 min)

Gold Class tour
(booking required - only available Monday - Friday)
A personal tour (up to 4 people) with a team member, it includes an opal cutting experience, where you get to keep the opal! (1 hour)
For more information on the tours please visit...
www.BrisbaneOpalMuseum.com.au

Discover the perfect opal to celebrate your Australian adventure!

In the opal jewellery shop we only deal with *solid opals*, there are three types of solid opals; they are called boulder opal, classic solid and matrix opal.

Solid opals are the only types that are 100% natural & real. Opals not solid are called doublets, triplets, treated or synthetic.

The jewellery shop is in the same building as the Opal museum. It is a large comfortable shop with a huge selection of opal jewellery to choose from, and if we don't have exactly what you're looking for we can custom make something from thousands of unset loose opals.

With years of experience in dealing in opal jewellery and unset opals, serving both international tourists and locals, we know that what our customers want...

- 1) Quality product,
- 2) Knowledgeable friendly staff,
- 3) A large selection to choose from, and...
- 4) A reassuring money-back guarantee/warranty policy that gives our customers peace of mind.

We have helped thousands of customers discover the perfect opal to celebrate their Australian adventure and we can do the same for you. To view the opal jewellery on the website go to www.AustralianOpalJewellery.com.au

Opening Hours

The museum area closes 1 hour earlier than the listed times below.
Monday to Friday: 10am - 5pm
Saturday 10am - 4pm
Sunday 10 - 3pm

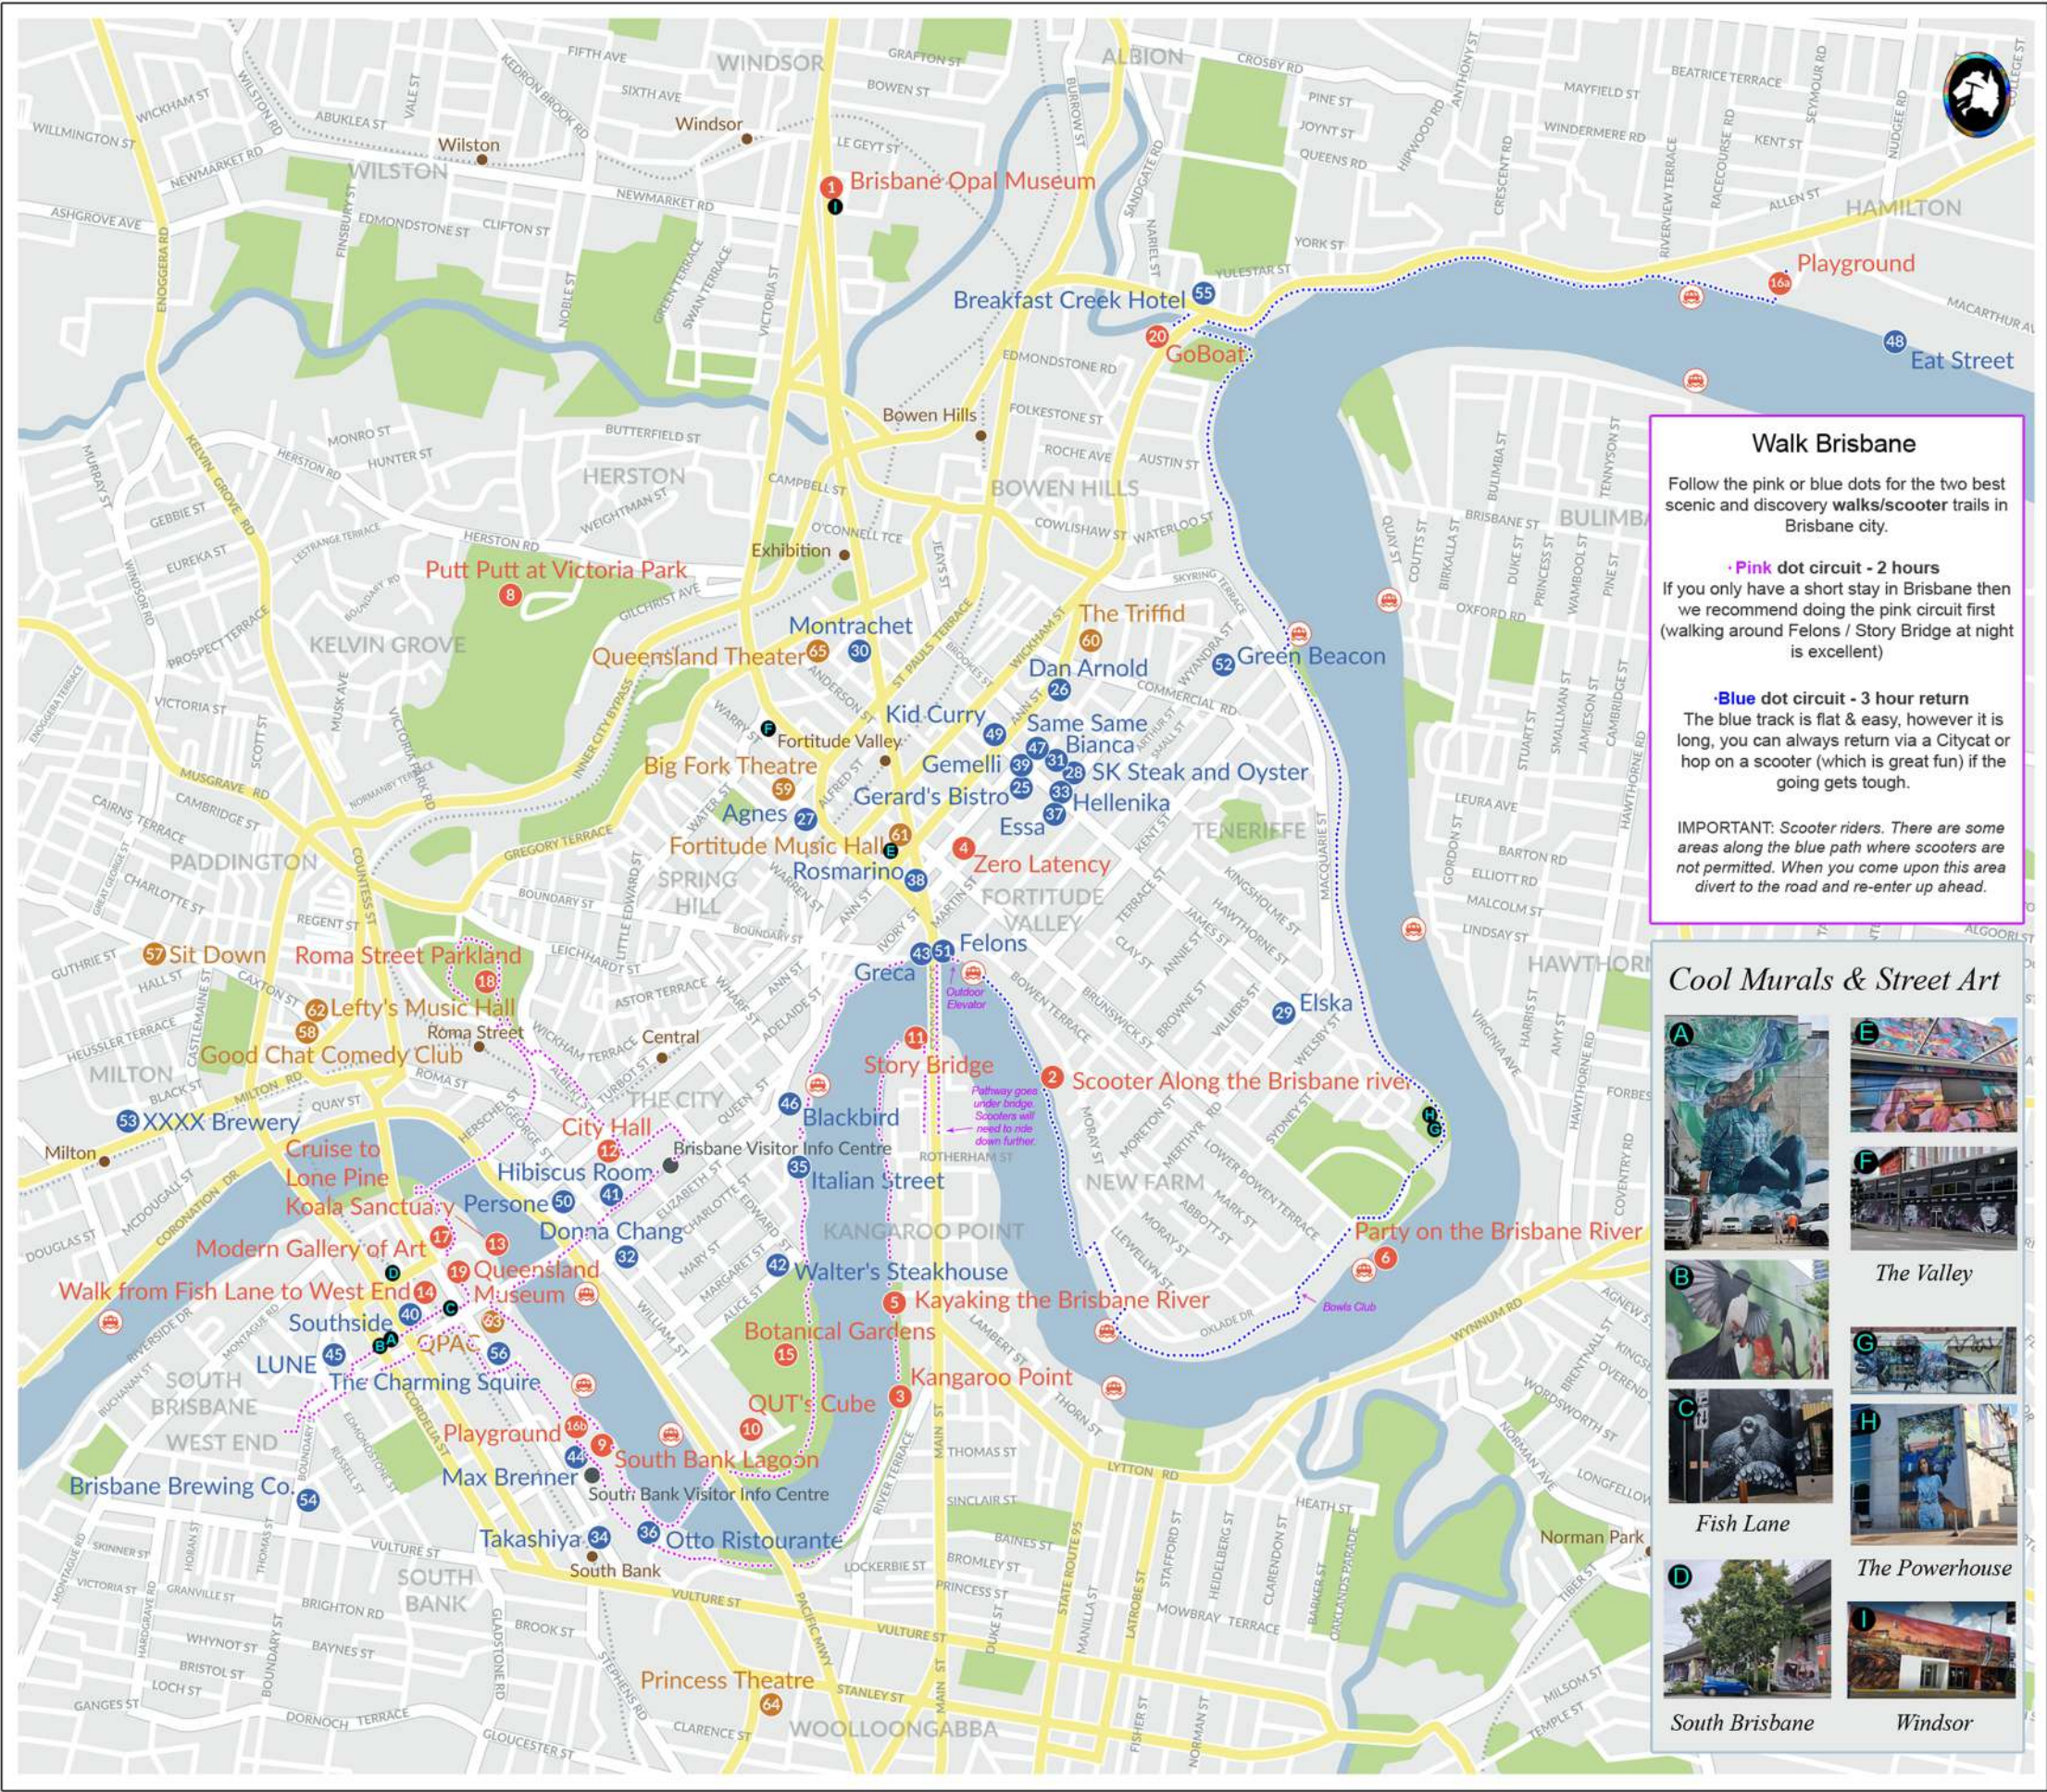

The address is: 201 Lutwyche Road, Windsor
(07) 3857-7740

Catching an Uber or taxi from the city/airport is approximately \$25 and will take about 10-15min one way.

SPECIAL Uber/Taxi offer:

When you spend over \$100 in the shop we deduct \$50 from your total to help cover the cost of the Uber/taxi.

Catching a bus or train from the city is quick & simple...
Go to <https://jp.translink.com.au/> for details.

For Year 2023
Edition #1

ThingsToDoInBrisbaneMAP.com.au

Welcome to Brisbane!

Geoff McDonald, a co-founder of the Brisbane Opal Museum came up with the idea of this tourist map during the height of the shut-downs in the midst of the Covid pandemic.

This map is all about helping you have the best time possible during your time in Brisbane. This is edition number 1, so undoubtedly there will be things that can be improved. If you would like to contact us or suggest an edit please visit the website below.

There has been no paid advertising, everything mentioned in this map was at Geoff's discretion. The idea was to create a tourist map that is not just informative but also fun and engaging. Enjoy!

Want more cool attractions?

There are many more adventures to be had outside the limits of this map. To find out what they are, visit the website...
